**What previous participants have to say:** *This was a wonderful training! I loved the many opportunities to collaborate, challenge oneself, trust, reflect and think...I didn't want to leave...I was amazed at how much effect a horse can have on a person... very unique and enjoyable...I loved watching others interact with the horses and attempt to complete the tasks at hand... we had a wonderful afternoon with great insight about ourselves, each other and our team”*

**LOCATION:** 7394 Brusewitz Rd. Black Creek Wisconsin: From the only stoplight in Black Creek continue north on Hwy 47 for exactly 2 miles. Turn right onto Brusewitz (can't turn left). Follow Brusewitz for about 1.5 miles until the road takes a sharp turn to the left - but don't turn - instead into that driveway - you will see the arena straight ahead.
